#### 6. Restriction on Termination by NZFMA

This agreement may not be terminated by NZFMA on the grounds that the Subscriber or a member of the Subscriber group becomes insolvent, or is subject to any form of administration, receivership, liquidation or other form of insolvency event or proceedings or action for the enforcement of a debt. However, this agreement may be terminated immediately by NZFMA if:-

- (a) there are any Overdue Fees and NZFMA sends a written notice to the Subscriber notifying it of such Overdue Fees, and requesting payment of such Overdue Fees within 30 days of receipt of such notice by the Subscriber;
- (b) the relevant Overdue Fees remain unpaid after expiration of the 30-day period referred to in clause 6(a);
- (c) following expiry of the notice referred to in clause 6(a), NZFMA sends a second written notice to the Subscriber, notifying the Subscriber that the relevant Overdue Fees remain outstanding and that NZFMA intends to terminate this agreement in accordance with this clause 6 if the relevant Overdue Fees are not paid within a further 30 days of receipt of such second written notice by the Subscriber; and
- (d) the relevant Overdue Fees remain unpaid after expiration of the second 30-day period referred to in clause 6(c).

For the purposes of this clause 6, "Overdue Fees" means the annual subscription charges payable in accordance with clause 4 that remain unpaid 4 months after the due date for payment.
